Acceptance of terms of use

Welcome to the Advanced Tactile Imaging internet site. The information provided on this Website is for general informational and educational purposes only. Please be sure to read these terms of use before using or submitting any information to this Website. By accessing and using this Website you acknowledge that you accept and agree to be bound by these terms of use, together with any additional terms and conditions appearing on this Website, from time to time, which apply to particular features, parts or content of this Website, where indicated. If you do not agree to all these terms of use, you should not use this Website.

Access to the Website

It is your responsibility to ensure your computer system meets all the necessary technical specifications to enable you to access and use this Website and is compatible with this Website.

Purpose of the Website

Advanced Tactile Imaging has provided this Website as a general information service. You agree that your use of the Website is on an 'as is' and 'as available' basis and at your sole risk. In particular, product information and medical information are provided as general information. They are not a substitute for user manuals or other documentation supplied with Advanced Tactile Imaging products, nor a substitute for advice from a registered physician or other healthcare professional. Advanced Tactile Imaging makes or gives no representation or warranty as to the accuracy, completeness, currency, correctness, reliability, integrity, quality, fitness for purpose or originality of any content of this Website and, to the fullest extent permitted by law, all implied warranties, conditions or other terms of any kind are hereby excluded. To the fullest extent permitted by law, Advanced Tactile Imaging accepts no liability for any loss or damage of any kind incurred as a result of you or anyone else using the Website or relying on any of its content.

Intellectual property rights

The whole of the contents on this Website is the subject of copyright, and other intellectual property rights, owned or licensed by Advanced Tactile Imaging. All rights are reserved, and except as expressly permitted by these terms of use, any unauthorised copying, storage, or reproduction in any form is strictly prohibited by the owner of the relevant intellectual property rights. You must only use this Website and anything available from this Website for lawful purposes (complying with all applicable laws and regulations), in a responsible manner, and not in a way that might damage the name or reputation of Advanced Tactile Imaging or that of any of its affiliates.

Personal and non-personal data

Advanced Tactile Imaging may collect and process the following data:

- Information (such as your name, email address, postal address and telephone number) that you provide by completing forms on this Website, including if you subscribe to any service, upload or submit any material via this Website, request any information or enter into any competition or promotion from time to time;
- Communications you send, for example to report a problem or to submit queries, concerns or comments regarding this Website or its content;
- Information from surveys that Advanced Tactile Imaging may, from time to time, run on this Website for research purposes, if you choose to respond to them.

You can tell Advanced Tactile Imaging not to contact you with information regarding its products and services, either at the point such information is collected on this Website (by checking or un-checking (as directed) the relevant box) or by following the unsubscribe instructions on any communications sent to you. You can also exercise the right at any time by contacting Advanced Tactile Imaging using the contact details under the "Company Us" section of these terms of use.
